SUBJECT: Contract A-101, Handbook Requirements
for Ground Duplicating and Analysis
Equipment

Dear Dan:

Reference your letter dated 5 December 1957, Control No.
22006, and R-W letter dated 1 November 1957, inclosed therewith.

The proposed quantity of manuals as set forth in Exhibit
"B" is satisfactory to F.O.G. However, request the contractor
retain the reproducibles until notified to ship them to [REDACTED]
Additional copies of the manual may be desirable at a later
date.
